Lands in South Kanara District - Requisitioning for military purposes - Ref. Memorandum No. S/1889-25/44 dated 13th December, 1944.

The District Forest Officer, South Kanara, has reported that, as only a portion of the area in question falls under Hopea tending Working Circle, the question of loss of current revenue does not arise. The Collector is requested to proceed with the leasing of the forest areas in the Uppinangadi and Kumbla blocks.

2. It should be made clear to the military authorities that the annual lease value as estimated in the memorandum cited above does not allow for more than a very moderate amount of damage to standing growth in the forest areas, the total value of which is very large, and that, as it is not possible to estimate the amount of damage likely to be caused during the occupation of the forest areas by the military, the Government of Madras reserve the right to ask for further compensation if any appreciable damage is done.

(4) No.E.2 ASK. 461 dated 27-3-1945 from the Asst.Accounts Officer, Madras.

In G.O.No.Mg.1588 (Revenue) dated 8-8-1944 sanction was accorded for the employment of six Dy.Tahsildars to work under the three Special Dy.Collectors employed for work connected with the requisitioning and acquisition of lands and buildings in this district. As the work had to be suspended for some time, for want of sanction of funds the special staff with the exception of two Dy.Tahsildars, their clerks and peons was disbanded temporarily. The retention of the two Dy.Tahsildars, their clerks and peons up to 31-12-1944 was sanctioned in G.O.No.Mg.2357 - (Revenue) dated 28-11-1944. As funds were sanctioned in the meanwhile, the re-employment of the original officers and staff who were disbanded sanctioned by the Government in G.O.No.No.2474 (Revenue) dated 15-12-1944.

The Asst.Accounts Officer holds the view that under paragraph of this G.O. the two Dy.Tahsildars, their clerks and peons ordered to be retained up to 31-12-1944 in G.O.No.2357 (Rev.) dated 28-11-4 should have been disbanded when the other officers and staff were re-employed, leaving only four Dy.Tahsildars to work under the three Dy.Collectors. It is presumed that the Government intended that the entire original staff should be re-employed and that as two of the Dy.Tahsildars had not been disbanded they sanctioned the re-employment of-entertainment of only the disbanded staff. Even six Dy.Tahsildars the work could be got through only with consi

P.T.O.

The Special Dy.Collectors and staff mentioned in paragraph 1 of G.O.No.2474 (Rev.) dated 15-12-1944 were re-entertained on various dates from 16-12-1944 and they were disbanded on 10-2-1945 at Dindigul and 15-2-1945 at Uppiliyapuram, retaining one Dy.Tahsildar, his clerk and peons in each of the two areas under the orders conveyed in G.O No.No. 152 - (Revenue) dated 23-1-1945. The Asst.Accounts Officer is to think that there is no sanction of the Government for continuing the two Dy.Tahsildars, their clerks and peons whose retention was sanctioned in G.O.No.2357 Revenue dated 28-11-1944 beyond the date on which the disbanded staff was re-entertained in accordance with G.O.No.2474 Revenue dated 15-12-1944. I request that formal sanction may therefore be accorded for re-entertaining them also along with the other staff.

specific mention has been made in G.O. 2474 dated 15-12-1944 that the staff sanctioned in G.O. 2357 dated 28-11-1944 should retained only up to the date on which the staff sanctioned in para 1 the G.O. are employed. Hence, the staff should have been disbanded as soon as the staff mentioned in para 1 of G.O. 2474 dated 15-12-44 have been employed. Recovery should therefore be effected for the period of retention of the staff or the orders of Government should be obtained for the retention.
